

Vous etiez l'evidence  
Vous n'etes plus que l'enigme  
Vous etiez l'evidence  
Vous n'etes plus que l'enigme  
Vous etiez l'eternite  
Vous n'etes que du passe

You were the evidence  
Now you're nothing but the enigma  
You were the evidence  
Now you're nothing but the enigma  
You were eternity  
Now you're just the past
