

## Rainbo Conversation

Stereolab

yearn for romantic compassion  
To love is my sole aspiration  
For thee who has love in a million  
That has burnt unto consternation  
All those who're pig-face and dimi

Glowing for our face and our hearts  
Fusing at the sad transformation  
That has sadly altered the "balance"  
It had to end, became too disappointing  
Another end leading a new beginning  
I'll try again, the right one will come along  
I need someone intoxicating and strong
