

## Define This

Stereomud

You have a fear of living not me  
I will not take anything for granted  
Not even the breath I breathe  
Make me feel alive... still I can't describe  
What is happening, determined to run but...

I'm crawling... I'm crawling down

You cannot define this  
There is nothing else like it

The addiction's here make no mistake  
I will not take anything for granted  
With every step I take, makes me feel alive  
Still I feel the further I go I'm determined to run but...

I'm crawling... I'm crawling down

You cannot define this  
There is nothing else like it, no no  
You cannot define this  
There is nothing else like it

It's how you react, no it's not what you say  
You're running from nothing you're running away

You cannot define this  
There is nothing else like it, no no  
You cannot define this  
There is nothing else like it

Cannot define this...
