

A Minute Longer

Stereophonics

they're calling out
come on lets go
but i'm miles away
to a year before
laughs from the glass
drank to the past
on the old green seat
like velvet to the hand

think i'd like to stay a minute longer
would you like to stay a minute longer?

last one for some
sick from the rum
i played golf on the carpet
with someone
crash back to date
few things i hate
but i'd rather us live
in the present day

think i'd like to stay a minute longer
would you like to stay a minute longer?

x2

think i'd like to stay a minute longer
would you like to stay a minute longer?
If you like I'll stay a minute longer
If you like I'll stay a minute longer
Its longer
Its longer
Its longer
Longer
