

# Bust This Town

Stereophonics

If you got the money  
I've got the feeling that  
You got something to say to me honey  
I'm loving the weather  
It's now or it's never  
We can bust this town tonight and forever  
Tonight is the night we're leaving together

Come on!  
So long!  
Long gone!  
Tomorrow's too late  
It's now or it's never  
Come on!  
So long!  
Long gone!  
Tomorrow's too late  
It's now or it's never

If you think it's funny  
You spend all the money  
I wish I'd never set eyes on you honey  
The coppers will get us  
No time like the present  
Now bust this town tonight and forever  
Tonight is the night we're leaving together

Come on!  
So long!  
Long gone!  
Tomorrow's too late  
It's now or it's never  
Come on!  
So long!  
Long gone!  
Tomorrow's too late  
It's now or it's never

Yeah, yeah  
Yeah, yeah

Come on!  
Long gone!  
So long!  
Tomorrow's too late  
It's now or it's never  
Come on!  
So long!  
Long gone!  
Tomorrow's too late  
So bye, bye, bye!
