

# Drowning

Stereophonics

I don't know why  
I don't know what is wrong  
Oh no  
Is karma gonna get me?  
At times that's all I see  
It's not real

Wanna feel  
Wanna feel, like I did before

Mornings I can't breathe  
Wave crashes over me  
And drowns me  
Wind's running rings around me  
It takes me time to see  
What is real?

Wanna feel  
Wanna feel  
Like I did before  
Like I did before

Time changes things  
Like I never thought  
Like I never saw?

Time changes me  
I'm like I never was  
Oh no

I'm looking back to what I was  
I've seen my face right on the floor  
And I love you, being around  
I say it again, I'm not fucking around

I've seen in before  
I'll see ut again  
It's knocking my door  
And it never pretends  
I'm down on my knees  
And I don't know where to go to find my way back home

I'm drowning  
I'm drowning  
I'm drowning  
I'm drowning
