

# Is Yesterday, Tomorrow, Today?

Stereophonics

Intro:

It's another way  
to get through the day  
Pickin up ripped cigarette  
boxes hoping that one remains

yellow lucky day  
suck deep and bathe  
for the next ten minutes  
spent coughin all the pleasures craved

Write down all the thing that you'd like to say  
Write down all the things that you'd like to change  
Write down all the places you'd like to stay  
Write down anything that you want  
Is yesterday, tomorrow, today?

Hey, hey,  
is nothing gonna change the way?  
Hey, hey

Cracked rock top wall, left ash to fall, left alone to wait,  
ive never looked at things, ive liked only things I hate.  
Your not the first today, not the softest face, was there any  
that you liked, was there any that you didn't fake?

Write down all the things that youd like to be  
Write down all the things that you don't believe  
Write down all the places that youd like to see  
Write down anything that you want.  
Is yesterday tomorrow today?  
Is nothin gonna change the way, hey

Cause everything that's you  
And the things that you like to do  
And all of the things that are

Come back again  
Come back again  
Come back again  
Come back again  
Come back again  
Is yesterday tomorrow today
