

# Maybe

Stereophonics

Maybe one thing  
Maybe something  
Maybe nothing  
All I know is friend  
It's nothing new

Maybe it's me  
What is to be?  
Maybe lucky  
All I ask is where  
We're s'posed to be

I give a lot  
I take a lot  
It's nothing new to me

Maybe you've grown  
Am I so wrong  
How long's too long  
All I want is us to be happy

Maybe moving  
Always proving  
Am I losing  
All that's meant to be?  
That's meant to be?

Ya hear a lot  
Ya told a lot  
It's nothing new to me

Maybe laughing  
Something lacking  
Always sometimes  
All I hear is how, it's meant to be

Maybe learning  
Always searching  
Am I asking  
Things I'll know too soon?  
I'll know too soon

We talk a lot  
Don't do a lot  
It's nothing new to me

I give a lot  
I take a lot

It's nothing new to me  
It's nothing new to me  
It's nothing new to me
