

Left late in the rain from the city  
She lived by the sea  
Stepped onto the train at the station  
To where we said we'd meet  
A slow bar with a gin and a jukebox  
Where she likes to go  
The rain stops every time that I see her  
Every time for sure  
All right now  
All right now

Sunny, you're so sunny  
With no money, it's so funny  
Who needs a money, it's so sunny  
And you feel like summer

Sunny, you're so sunny  
With no money, it's so funny  
Who needs a money  
When it's so sunny  
You just feel like summer

I don't know where you came from  
I don't know what's going on  
The morning I could be long gone  
If you feel like it

Right or wrong it feels so good  
And you just don't know if you could  
And everyone's misunderstood  
And feel like summer nights  
Summer nights
