

## White Lies

Stereophonics

I don't know where you are  
Or what you wanna do  
It seems so these days  
I'm losing out on you  
Oh yeah, oh yeah yeah

You come home so late  
I don't know where you been  
I wanna hold you tight  
But you make me wanna scream  
Yeah yeah

Oh... so now we're fighting in the streets  
I can't breathe  
'Cause I don't believe words you say

No... your white lies don't protect me  
Be honest with me  
It's all we can be to sustain

I drove around all morning  
Thinking of starting again  
Turning my back on a good thing  
I turned the car 'round instead

No... your white lies don't protect me  
Be honest with me it's all we can be to sustain  
Oh... so no more fighting in the streets  
And I can't breath 'cause I don't believe  
words you say  
No... your white lies don't protect me  
Be honest with me it's all we can be to sustain

Oh... so no more fighting in the streets  
'Cause I can't breathe  
If I don't see you again
