

# You Stole My Money Honey

Stereophonics

You stole my money honey  
You're cold your blood's stopped running  
And know you're buying your new life  
Can't help but find you funny  
The clothes you wear are something  
You made your whole life boasting lies

Pretend you're high and something  
To think, you think I'm dumb, you're blind!

I'll get by fine without you  
I lie about you  
You got no spine only mine  
Don't you know wrong from right

It's up to you  
You're such a fool

See I'm a giver, taker!  
You liked your cocaine chaser  
The girls you love all sleep around  
You got a piece of something  
But what it's worth is nothing  
Coz what you want you just can't buy

Pretend you're high on something  
To think you think I'm dumb, you're blind

I'll get by fine without you  
I lie about you  
You got no spine only mine  
Don't you know wrong from right  
You got no style about you  
I try to like you  
I got no time for you now  
Cos your time's running out

It's up to you  
You're such a fool

I'll get by fine without you  
I lie about you  
You got no spine only mine  
Don't you know wrong from right  
You got no style about you  
I try to like you  
I got no time for you now  
Cos your time's running out

It's up to you  
It's up to you  
Such a fool  
It's up to you
