You say you never really know
What you got till it's gone
Well baby girl you had me begging out
All wrong and I ain't never needed you
to write my songs, What I got to do is get gone.
Cause I'm like the new Michael Jackson but without
the charges, my hooks got me one size extra larges.
For once could you listen to what I've got to say,
Bye bye baby now I'm on my way.

I got to go oh, and I'm never comin back now,
bye bye baby I'll be sure to write
Got to roll, oh, is what I've got to do,
bye bye baby, now I'm over you.

I got to go oh, and I'm never comin back now,
bye bye baby I'll be sure to write
Got to roll, oh, is what I've got to do,
bye bye baby, now I'm over you.
