

# Girl In The Club (We Got It)

Stereos

All my girls in the club say "We Got It!"  
And move that body all up on me  
All my girls in the club say "We Got It!"  
And everybody get tipsy

No cell phone  
And no sleep tonight  
Girl, I just wanna make you sweat

And uh oh  
We're 3 drinks in  
Gonna be a night you won't forget  
Shawty got a tight dress on  
Got her gettin low like her favorite song  
Sippin on a straw between her teeth  
And she rockin to the beat

Tonight let's get it on  
Tonight let's get it on  
Everybody sing along  
Tonight let's get it on

All my girls in the club say "We Got It!"  
And move that body all up on me  
All my girls in the club say "We Got It!"  
And everybody get tipsy

Now I'm movin  
Ain't no VIP  
But the hottest girl is by my side

And you know  
I can seal the deal  
Bumpin til the mornin light

She got a body like a Benz  
Now I'm tryina make her leave her friends  
And she don't want romance  
Man, these girls just wanna dance

Tonight let's get it on  
Tonight let's get it on  
Everybody sing along  
Tonight let's get it on

All my girls in the club say "We Got It!"  
And move that body all up on me  
All my girls in the club say "We Got It!"  
And everybody get tipsy

We got it!  
We got it!  
Everybody, we got it!

Tonight let's get it on  
Tonight let's get it on  
Everybody sing along

Tonight let's get it on

All my girls in the club say "We Got It!"  
And move that body all up on me  
All my girls in the club say "We Got It!"  
And everybody get tipsy
