

# Over And Over

Stereos

I do it like this  
I hit, I never miss  
It don't get no better  
Takin' over and over  
You can't hit it like I do  
It don't get no better  
We got it over and over

I know you think about it  
It's got a ring about it  
Gotta get them at the top  
And you don't know a thing about it  
Everybody on the outside love to hate me  
Keep it comin, I get better when you're underneath me  
You better take a seat 'cause I ain't goin away  
I've been doin it the way I do like every single day  
Now you know, oh oh  
Here I go, oh oh  
I never stop

I do it like this  
I hit, I never miss  
It don't get no better  
Takin' over and over  
You can't hit it like I do  
It don't get no better  
We got it over and over

I know it's been a ride  
Somethin I can't deny  
But I'm only gettin started with them by my side  
So I'mma get it, no regret it  
I'm not like this  
Quit denying 'cause I love the way you hate this  
And ain't nobody put it down like that  
Don't fall ahead, don't gotta watch my back  
And now you know, oh oh  
Here I go, oh oh  
I never stop

I do it like this  
I hit, I never miss  
It don't get no better  
Takin' over and over  
You can't hit it like I do  
It don't get no better  
We got it over and over  
I do it like this  
I hit, I never miss  
It don't get no better  
Takin' over and over  
You can't hit it like I do  
It don't get no better  
We got it over and over

You got it or you don't  
You know we got it all

It's on my mind all the time, won't forget about it  
There ain't another way  
There ain't another day  
I'm gonna do it like I do it, no stoppin  
You better take a seat 'cause I ain't goin away  
I've been doin it the way I do like every single day  
Now you know, oh oh  
Here I go, oh oh  
I never stop

I do it like this  
I hit, I never miss  
It don't get no better  
Takin' over and over  
You can't hit it like I do  
It don't get no better  
We got it over and over  
I do it like this  
I hit, I never miss  
It don't get no better  
Takin' over and over  
You can't hit it like I do  
It don't get no better  
We got it over and over
