

I can see that you're addicted to me believe
You just lay around all day and day dream about us
Someday you gonna change the world

Would just close your mouth and let me tell you somethin'
No it don't mean nothin' if you can't reach out and touch it
No don't build your dreams on a lie

No I don't feel sorry
For you no
I don't feel sorry

You're not saving anything
That I can't save myself
No I don't think that you've been so amazing lately
Know your enemy
You better wave me well
No I don't think that you're saving nor amazing no

It's a long way up from the bottom to the top
And the friends that you made will be the friends that you lost
Things ain't so once upon a time anymore

In the end I'll see you there waving your flag
But I won't be distracted and I won't feel bad
No this is gonna hurt

No I don't feel sorry
For you no
I don't feel sorry

You're not saving anything
That I can't save myself
No I don't think that you've been so amazing lately
Know your enemy
You better wave me well
No I don't think that you're saving nor amazing no

You're not saving anything
That I can't save myself
No I don't think that you've been so amazing lately
Know your enemy
You better wave me well
No I don't think that you're saving nor amazing no

Amazing...

You're not...
