

My Life

Stereoside

This is my life!

I always take the dirt road
And I always roll alone
But I feel I'm getting better
And I'm getting close to home

Yes I'm alright
And I'm doing fine
Just sit back and hold on tight

Here we go here we go we go again
And this won't be the last time
Here we go here we go we go again
This is, this is my life

Well this is my life

I always find a better cause
The worst is yet to come
But I feel I'm getting stronger
And I'm not so much alone

Yes I'm alright
And I'm doing fine
Just sit back and hold on tight, yeah

Here we go here we go we go again
And this won't be the last time
Here we go here we go we go again
This is, this is my life

This is my life!
This is my life!

Here we go here we go we go again
And this won't be the last time
Here we go here we go we go again
This is, this is my life!
