

Hanging

Sterling Knight

How 'bout a little bit of soul, some integrity.
I'm not talkin' about no fake kinda feeling
But the girl in my dreams will be
For real without a doubt so

I don't know who you are but find your way to me
Uh, in no rush to see

Baby, I'm hanging, hanging on for you
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you
And you'll be mine in future time
It's true ooh ooh
Ooh ooh ooh ooh ooh ooh

How 'bout we wait a couple years till you do it right
I gotta a little game left
Soon I'mma hang up in a play and share this line
And you can do the same yes

Cause this horizon soon will focus into view, yeah
Uh, in no rush to see

Baby, I'm hanging, hanging on for you
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you
And you'll be mine in future time
It's true ooh ooh
Ooh ooh ooh ooh ooh ooh

There's no rush, we will touch
And it will be a whole other level girl
Just one kiss, yes this is
The heaven that will conquer the devil's world
Uh, in no rush to see

Baby, I'm hanging, hanging on for you
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you
And you'll be mine in future time

Hanging, hanging on for you
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you
And you'll be mine in future time
It's true ooh ooh
Ooh ooh ooh ooh ooh ooh

Hanging, hanging on for you
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you
And you'll be mine in future time

It's true
