

# Hangin'

Sterling Knight

How 'bout a little bit of soul, some integrity.  
I'm not talkin' about no fake kinda feeling  
But the girl in my dreams will be  
For real without a doubt so

I don't know who you are but find your way to me  
Uh, in no rush to see

Baby, I'm hanging, hanging on for you  
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you  
And you'll be mine in future time  
It's true ooh ooh  
Ooh ooh ooh ooh ooh ooh

How 'bout we wait a couple years till you do it right  
I gotta a little game left  
Soon I'mma hang up in a play and share this line  
And you can do the same yes

Cause this horizon soon will focus into view, yeah  
Uh, in no rush to see

Baby, I'm hanging, hanging on for you  
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you  
And you'll be mine in future time  
It's true ooh ooh  
Ooh ooh ooh ooh ooh ooh

There's no rush, we will touch  
And it will be a whole other level girl  
Just one kiss, yes this is  
The heaven that will conquer the devil's world  
Uh, in no rush to see

Baby, I'm hanging, hanging on for you  
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you  
And you'll be mine in future time

Hanging, hanging on for you  
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you  
And you'll be mine in future time  
It's true ooh ooh  
Ooh ooh ooh ooh ooh ooh

Hanging, hanging on for you  
(I'm hanging) That's where it is, go 'bout my business

Hanging, hanging on for you  
And you'll be mine in future time

It's true
