She Should Be Thanking You

Sterling Simms

She never seen the picture on my walls She can't remember the last time that you called We never see you when were out You reside on the other side of town

Because of you I'm a better man She should think of you as a best friend Without you this story may not exist I know the credit should point your way Cause every single day she says

Thank you and I hug her She should be thinkin' too Thank you and I tell her that I love her She should be thankin' you Thank you and I tell her she's my everything Cause she should be Cause I know this much is true My girl should be thankin' you

She should be thankin' you She never heard my mother mention your name When mine was down you were there like everyday It took some time for me to get it right By then you were gone But I want you alone, yeah

Because of you I'm a better man So she should think of you more like a best friend And without you this story may not exist I know the credit should point your way Cause every single day she says [she should be thankin' you lyrics Thank you and I hug her She should be thinkin' too Thank you and I tell her that I love her She should be thankin' you Thank you and I tell her she's my everything Cause she should be Cause I know this much is true My girl should be thankin' you

Girl what can I say You make me this way Back then I didn't know what it meant Now I seems I can't forget And I know there's no room for us And I respect you girl please trust That I will always be thankin' you

Cause every single day she says Thank you and I hug her She should be thinkin' too Thank you and I tell her that I love her She should be thankin' you Thank you and I tell her she's my everything Cause she should be Cause I know this much is true My girl should be thankin' you
