

Children of the Wild

Steve Angello

We are children of the wild, we take our chance to face the fall
l

Go on and on and on, to chase our shadows of the wall
As children of the wild we make our choices on our own
Our path is full of fear for must be taken all alone

We are children of the wild, we take our chance to face the fall
l

Go on and on and on, to chase our shadows of the wall
As children of the wild we make our choices on our own
Our path is full of fear for must be taken all alone
