

# Remember

Steve Angello

Remember when you had a dream  
Remember when you had a heart  
Remember when it was so simple  
This world, my fault, could ever scar

Remember when you fell in love  
Remember when it fell apart  
Remember when you saw some more of love  
You swore you'd never stop

But now you're on your own x4

Remember then you fell hard (But now you're on your own x3)

Remember when you sold your dreams for nothing I've been thinki  
ng 'bout that so long  
Keep running up a hill, fight back, don't stop, oooh  
Don't you throw your hands in the air  
I'd rather cherish all  
Everything that I own  
Than dream about something that I've never had

Remember when you had a dream  
Remember when you had a heart  
Remember when it was so simple  
This world, my fault, could ever scar

But now you're on your own x4

Remember when you sold your dreams for nothing I've been thinki  
ng 'bout that for so long  
But now you're on your own

Remember when you had a dream  
Remember when you had a heart  
Remember when it was so simple  
This world, my fault, could ever scar  
But now you're on your own x4  
But now you're on your own  
But now you're on your own
