

Remember

Steve Angello

Remember when you had a dream
Remember when you had a heart
Remember when it was so simple
This world, my fault, could ever scar

Remember when you fell in love
Remember when it fell apart
Remember when you saw some more of love
You swore you'd never stop

But now you're on your own x4

Remember then you fell hard (But now you're on your own x3)

Remember when you sold your dreams for nothing I've been thinki
ng 'bout that so long
Keep running up a hill, fight back, don't stop, ooh
Don't you throw your hands in the air
I'd rather cherish all
Everything that I own
Than dream about something that I've never had

Remember when you had a dream
Remember when you had a heart
Remember when it was so simple
This world, my fault, could ever scar

But now you're on your own x4

Remember when you sold your dreams for nothing I've been thinki
ng 'bout that for so long
But now you're on your own

Remember when you had a dream
Remember when you had a heart
Remember when it was so simple
This world, my fault, could ever scar
But now you're on your own x4
But now you're on your own
But now you're on your own
