I'm dangerous
This beat is hazardous
When you see me walk up in the club like a motherfucker
I'm about to fuck it up
I don't fuck around
Tell the DJ blast the sound
When you see me walk up in the place like a firestarter
I'm about to burn it down

Watch out
Watch out
This is danger, danger, danger, danger
Danger, danger, danger, danger

I'm a bad motherfucker
I smash up the party like a bad motherfucker
So when you see me
Show me love
I'm about to tear it up
I'm a party man
I party as hard as I can
(Party harder)
And when it's over
It's never over
I'm down to do it again
Let's go
