

I Go Crazy

Steve Azar

Hello girl, it's been a while
Guess you'd be glad to know
That I've learned how to laugh and smile
Gettin' over you was slow

They say old lovers can be good friends
I never thought I'd really see you again
I'd really see you again
I go crazy when I look in your eyes, I still go crazy

No, my heart just can't hide
That old feelin' inside, way deep down inside
Whoa baby, you know when I look in your eyes
I go crazy

You say he satisfies your mind
Tells you all of his dreams
Well, I know how much that means to you
I realize that I was blind

Just when I thought I was over you
I see your face and it just ain't true
Oh no, it just ain't true
I go crazy when I look in your eyes, I still go crazy

That old flame comes alive
It starts burnin' inside, way deep down inside
Whoa baby, you know when I look in your eyes
I go crazy, I go crazy
You know when I look in your eyes, I still go crazy

No, my heart just can't hide
That old feelin' inside, way deep down inside
Whoa baby, you know when I look in your eyes
I go crazy

No, my heart just can't hide
That old flame comes alive, it starts burnin' inside
Whoa baby, you know when I look in your eyes
I go crazy
