

You're My Life

Steve Azar

You're my first mornin' light
You're a warm and tender night
You're the peace that I cling to
In the dark

You're a strong cup of coffee
An elegant glass of wine
The food that feeds my hungry soul
What I thirst for when I'm dry

All the good love you give me
So wild, so pure, so sweet, so right
Like a smooth rollin' river
Up against that blazin' sunset sky
You're the dream that's real
That's why you're my life

You're my passion, you're my home
You're the hope that I hang on
You're the wheels that keep us goin' through it all
You're the second wind I always catch
When I got no breath left in me

All the good love you give me
So wild, so pure, so sweet, so right
Like a smooth rollin' river
Up against that blazin' sunset sky
You're the dream that's real
That's why you're my life

Your beauty leaves me silent
When I look into your eyes
You're my life

All the good love you give me
So wild, so pure, so sweet, so right
Like a smooth rollin' river
Up against that blazin' sunset sky
You're the dream that's real
That's why you're my life
You're my life, you're my life, you're my life
