

# Hang On In There Baby

Steve Brookstein

We can't help but make it  
Now that we've caressed a kiss so warm and tender  
I can't wait till we reach that sweet moment of surrender  
We'll hear the thunder roar, feel the lightning strike  
At a point we both decided to meet at the same time tonight

Hang on in there baby, hang on in there darling  
I'm gonna give you more than you ever dreamed possible

Don't be afraid baby  
Sweet virgin of the world  
We can't help but make it  
'Cos there's true love between us girl  
So let us touch that cloud  
Every girl dreams of  
We're almost there darling, we're truly making love

Hang on in there baby, please don't let me down  
Please don't destroy this new joy we've found

What's that now baby, what's that you're saying  
Something's eating at you baby  
It's about to get away  
Don't fight it baby open up the door  
'Cos that's the key to the freedom  
That we've both been working for  
Let it go baby, let it go darling  
Right there, right there  
Baby don't you move it don't you dare  
Go baby let it go darling oh right there right there  
Baby Don't you move it don't you dare

Hang on in there baby  
Please don't let me down
