

# If You Don't Know Me By Now

Steve Brookstein

If you don't know me by now  
You will never, never, never know me

All the things that we've been through  
You should understand me like I'm trying to understand you  
Now girl I know the difference between right and wrong  
I won't do nothing to upset my happy home  
No don't you get excited when I come home a little late at night  
'Cos we only act like children when we argue fuss and fight

If you don't know me by now  
You will never, never, never know me  
If you don't know me by now  
You will never, never, never know me

Well now we've all got our own funny moods  
I've got mine, and woman you've sure got yours too  
So trust in me like I trust in you  
As long as we've been together that should be so easy to do  
Just get yourself together or we might as well say goodbye  
What good is this love affair when we can't see eye to eye

If you don't know me by now  
You will never, never, never know me  
If you don't know me by now  
You will never, never, never know me
