

We've Only Just Begun

Steve Brookstein

We've only just begun to live
White lace and promises
A kiss for luck and we're on our way
Before the rising sun we fly
So many roads to choose
We start our walking
And learn to run

And yes! We've just begun
Sharing horizons that are new to us
Watching the signs along the way
Talking it over just the two of us
Working together day to day, together
When the evening comes we smile
So much of life ahead

We'll find a place where there's room to grow
We've only just begun
Sharing horizons that are new to us
Watching the signs along the way
Talking it over just the two of us
Working together day to day, together

Together
And when the evening comes we smile
So much of life ahead
We'll find a place where there's room to grow
Yes we've only just begun
We've only just begun
