

# All My Heart Rejoices

Steve Green

All my heart this night rejoices  
As I hear, far and near  
Sweetest angel voices  
Christ is born, their choirs are singing  
Fill the air, everywhere  
Now with joyous ringing  
Come and banish all your sadness  
One and all, great and small  
Come with songs of Gladness  
Love Him who with love is yearning  
Hail the star, that from far  
Bright with hope is burning

All my heart rejoice tonight  
In the dark there dawns a light  
Behold the glory of the Lord  
All my heart rejoice tonight

Come to Him you heavy hearted  
Who for sin, deep within  
Joy has since departed  
For the poison wounds you're feeling  
Help is near, One is here  
Mighty for your healing

You will be the One I'll cherish  
Live for You, and with You  
Dying, I'll not perish  
But I'll dwell with You forever  
Far on high, in the joy  
That can alter never
