

# All Over The World

Steve Green

All over the world, the gospel grows planted in human hearts.  
All over the world the Father shows the love that's in His heart,  
And His voice goes out to ev'ry part til ev'ry one has heard,  
And the wind of the Spirit brings new life in Christ all over the world.

For the glory of the Father, for the glory of His name, for the fullness of His pleasure, for the radiance of His fame. So let the nations rejoice and let them lift up their voice. Everybody sing His praises, praise Him all over the world.

All over the world God's blessings flow to every humble heart.  
All over the world His favor shows the longing of His heart,  
That His people be filled with His great delight and be fully satisfied,  
Finding their greatest joy in obedience to Christ all over the world.

He gave us light so that we could believe. For the glory of the father for the glory of His name, for the fullness of His pleasure, for the radiance of His fame. So let the nations rejoice and let them lift up their voice. Everybody sing His praises, praise Him all over the world.
