

## Doxology

Steve Green

Awake, my soul, and with the sun  
Thy daily stage of duty run  
Shake off fluff and joyful rise  
To pay thy morning sacrifice  
Wake and lift thyself, my heart,  
And with the angels bear thy part  
Who all night long, unwearied, sing  
High praise to th'eternal king

Praise God, praise God, all creatures here below  
Praise God, praise God from whom all blessings flow

Direct, control, suggest this day  
All I do, desire or say  
That all my pow'rs with all their might  
In thy glory may unite

Praise God, praise God all creatures here below  
Praise God, praise God from whom all blessings flow  
Praise the father, praise the son, praise the spirit, three in  
one  
Praise God, praise God all creatures here below  
Praise God, praise God from whom all blessings flow
