

Glory To You

Steve Green

That You did not give to me
What mysteries are clear to me
That You did not explain
When did I share Truth
I had not received from You
What good works have I performed
That you did not ordain

Any strength I have, any good I do
Comes from the life I found in You
So in all I am
And in all I do
I give the Glory to You

How do I express
My love and my gratitude
For all I am and ever will be
All depends on you
Where in the world would I be
Had you not reached out to me
All the good I have in life
Can all be traced to you

Any strength I have, any good I do
Comes from the life I found in You
So in all I am
And in all I do
I give the Glory to You

From the strength to obey
Your word when I hear it
To reaching out in love
It's all a gift of the Holy Spirit,
Coming from above

Any strength I have, any good I do
Comes from the life I found in You
So in all I am
And in all I do
I give the Glory to You

I give the glory to You
