

Great Is The Lord God

Steve Green

Great is the Lord God
Greatly to be praised with your whole heart
And great is the Lord God
Worthy of our praise

Great is the Lord God
Wondrous are His ways with His people
And great is the Lord God
Worthy of our praise

He has found me in my misery
He has freed me from my shame
He has saved me from self-tyranny
Holy is his name

He has pulled me out of darkness
He has brought me into light
He has loved me with His tenderness
How He's blessed ...

... All of my life is His
All of my sins He forgives
All of my days I will live in His love
All of my life is His
All of my sins He forgives
All of my days I will live in His love
In His love

Great is the Lord God
Great is the Lord God
Greatly to be praised with your whole heart
Great is the Lord God
Love Him, Love Him

Great is the Lord God
Wondrous are His ways with his people
Great is the Lord God
Worthy of our praise
He is worthy, worthy of our praise
