

# Honor The Lord

Steve Green

Honor the Lord with your songs of praise  
Come before Him with singing  
Lift up your hands and your voices raise  
Honor the Lord with your songs of praise

He is the One who gives us the breath to sing  
He is the God who breathes life in everything  
The only holy Father  
Lord God almighty

Honor the Lord with your songs of praise  
Come before Him with singing  
Lift up your hands and your voices raise  
Honor the Lord with your songs of praise

He is the One who gives us the breath to sing  
He is the God who breathes life in everything  
The only holy Father  
Lord God almighty

Honor the Lord with your songs of praise  
Come before Him with singing  
Lift up your hands and your voices raise  
Honor the Lord with your songs of praise

He is the One who calls us by His own name  
He is the God whose mercy we now come claim  
The only holy Father  
Lord God almighty

Honor the Lord with your songs of praise  
Come before Him with singing  
Lift up your hands and your voices raise  
Honor the Lord with your songs of praise
