

In You Alone

Steve Green

When I am weak, You carry every burden
When I'm alone, You're just a breath away
When I am restless, You're the one who stills me
And where I fail, You always stay the same

In You alone, I'm lifted up to heaven
In You alone, I soar on borrowed wings
When I reach the end, You are just beginning
In You alone, I find all that I need

When I am lost, You rescue me from danger
And when I fall, You pick me up again
When I resist, You love past my defenses
And though I stray, You're patient to the end
