

## In You Alone

Steve Green

When I am weak, You carry every burden  
When I'm alone, You're just a breath away  
When I am restless, You're the one who stills me  
And where I fail, You always stay the same

In You alone, I'm lifted up to heaven  
In You alone, I soar on borrowed wings  
When I reach the end, You are just beginning  
In You alone, I find all that I need

When I am lost, You rescue me from danger  
And when I fall, You pick me up again  
When I resist, You love past my defenses  
And though I stray, You're patient to the end
