

Let Us Praise The Almighty

Steve Green

Let us praise the Almighty for what He has done
He has given new life through the Son
We're a part of the family His love has begun
Let us praise Him for what He has done

Allelujah! Allelujah!
Praise the Lord
Praise His name
Let us praise the Almighty for what He has done

Let us praise the Almighty for what He has done
He has given new life through the Son
He's uniting His family making us one
Let us praise Him for what He has done
