O Holy Night

Steve Green

O holy night, the stars are brightly shining It is the night of our dear Savior's birth Long lay the world, in sin and error pining Till He appeared and the soul felt its worth A thrill of hope the weary world rejoices For yonder breaks a new and glorious morn

Fall on your knees, O hear the angel voices O night divine, O night when Christ was born O night, O holy night O night divine

Truly He taught us to love one another
His law is love and His gospel is peace
Chains shall He break for the slave is our brother
And in His name all oppression shall cease
Sweet hymns of joy in grateful chorus raise we
Let all within us praise His holy name

Christ is the Lord, O praise His name forever His power and glory evermore proclaim His power and glory evermore proclaim

Fall on your knees, O hear the angel voices O night divine, O night when Christ was born O night, O holy night O night divine
