Go and get your little drum bring along your fife and drum
As we hear their joyful sound, tu-ra-lu-ra-lu, pa-ta-pa-ta-pan
As we hear their joyful sound let our glad Noels resound

Hear the ancient song now ring as we praise the King of Kings
As we listen to the song, tu-ra-lu-ra-lu, pa-ta-pa-ta-pan
As we listen to the song let us join and sing along

Satan now has lost his claim for the grace of Jesus came
With the sound of caroling, tu-ra-lu-ra-lu, pa-ta-pa-ta-pan
With the sound of caroling let us all our triumphs sing

Sing Noel, Emmanuel
God has come to us, Emmanuel
Sing Noel, Emmanuel
God is here with us, Emmanuel

God and man now join as one as the fife and drum have done
As we listen to them play, tu-ra-lu-ra-lu, pa-ta-pa-ta-pan
As we listen to them play, let us sing of Christmas day

God and man now join as one as the fife and drum have done
As we listen to them play, tu-ra-lu-ra-lu, pa-ta-pa-ta-pan
As we listen to them play, let us sing of Christmas day

Sing Noel, Emmanuel
God has come to us
God is here with us
Emmanuel has come

Christ is born, now go and tell
He is our Emmanuel
