

Praise To The King

Steve Green

Praise to the King of kings
For He alone is grand and glorious
Praise to the Lord of lords
For He alone will reign victorious

Praise to the King of our salvation
Praise to the Lord of righteousness
Praise to the God of new creation
Glorify Him and praise His holy name

Praise to the King of kings
For He is crowned with truth and righteousness
Praise to the Lord of lords
For He is clothed with joy and faithfulness

Praise to the Lord for He is glorious
Calling His children to the throne
Praise to the Lord our God victorious
Coming again to glorify His own

Gloria, gloria in Excelsis Deo
Gloria, gloria in Excelsis Deo

We will worship You, O Lord
For You alone are glorious
We will worship You, O Lord
In power of love You've given us

You O God are true and worthy
We will glorify Your name
Fill us with Your Spirit holy
In the love and power of Jesus' name

Praise to the King of kings
For He alone is grand and glorious
Praise to the Lord of lords
For He alone will reign victorious
