

Teach Me To Love

Steve Green

All my life I've had to struggle to be free
Though I see no end in sight
I stand in line with men
Who made a vow to never stop the fight
And to trust that you can comprehend
A loss you've never known
Will take a love that I have searched for
But love I cannot find alone

There's no power but the power of the cross
That can melt my hardened heart
And show me all the pride and arrogance
That tear our souls apart
For injustice that you suffer
And for our nation's shameful sin
I humbly ask for your forgiveness
We need to learn to love again

Lord, teach me to love
Show me how to care for others
Cause my soul to burn within
For the fellowship of my brother
Only You can break the chains
That have held me for so long
Lord, You're my hope, my only hope
Teach me to love

So daily I seek to know the Christ
Who suffered for all men
For in Him I find the courage
To ask again and again

Lord, teach me to love
Show me how to care for others
Cause my soul to burn within
For the fellowship of my brother
Only You can break the chains
That have held me for so long
Lord, You're my hope, my only hope
Teach me to love
