

# The Great Revival

Steve Green

A great movement in ev'ry place, is growing on so fast.  
Eternal light piercing so deep, I am so convicted.  
Prophecies that Jesus spoke, will soon all be fulfilled. Everyt  
hing will be made clear, and very soon Jesus will come.

Oh, glory hallelujah, for the Lord is calling a holy fire.  
The great revival started every tongue confessing, Jesus Christ  
is Lord of all, Jesus Christ is Lord of all.

The essence of life is revealed, his glory's everywhere. Slumbe  
ring souls are waking up; they are so convicted.  
The name of the land is our strength, an army set to win.  
The battle belongs to the Lord, and the church will claim the v  
ictory.

Oh, glory hallelujah, for the Lord is calling a holy fire.  
The great revival started every tongue confessing, Jesus Christ  
is Lord of all, Jesus Christ is Lord of all.

Glory hallelujah for the Lord is calling a holy fire (holy fire
