The Power Of The Cross

Once in darkness now in light Once blind now I see Once a sinner now a saint Once bound now free.

That's the power of the Cross See the chains fall That's the power of the Cross See the chains fall

Once a stranger now a child Empty now filled Once condemned now reconciled Broken now healed

That's the power of the Cross See the chains fall That's the power of the Cross See the chains fall

Once a prodigal now home Once lost now found Once an enemy now a friend Once poor now crowned

That's the power of the Cross See the chains fall That's the power of the Cross See the chains fall

That's the power of the Cross See the chains fall That's the power of the Cross See the chains fall See the chains fall
