

# The River

Steve Green

There's a river ever flowing  
Widening, never slowing  
And all who wade out in are swept away

When it ends, where it's going  
Like the wind no way of knowing  
Until we answer the call to risk it all and enter in

The river calls, we can't deny  
A step of faith is our reply  
We feel the spirit draw us in  
The water's swift, we're forced to swim

We're out of control  
And we go where he flows

There's a river ever flowing  
Widening, never slowing  
And all who wade out in are swept away

When it ends, where it's going  
Like the wind no way of knowing  
Until we answer the call to risk it all and enter in

Danger awaits at every turn  
We choose a course, we live and learn  
As we surrender to His will  
We're at peace but we're seldom still

He is in control  
And we go where he flows

There's a river ever flowing  
Widening, never slowing  
And all who wade out in are swept away

When it ends and where it's going  
Like the wind no way of knowing  
Until we answer the call to risk it all  
Until we answer the call to risk it all

There's a river ever flowing  
Widening, never slowing  
And all who wade out in are swept away

When it ends and where it's going  
Like the wind no way of knowing  
Until we answer the call to risk it all  
Until we answer the call to risk it all

It's widening, never slowing  
Will we answer and risk it all?  
There's a river ever flowing, ever flowing  
Be swept away
