

Unto Me

Steve Green

I wanna be a godly man
Follow the call and follow Your plan
I wanna have the purest heart
I wanna be a burning spark
Lord I want to be like you
Tell me Lord, what must I do?
And the answer came
Simple and so plain

Go and find your neighbor
Find a friend in need
Go and find a widow
There's a hungry child to feed
When you help the helpless
That is true Christianity
Whatever you've done to the least of these
You have done it unto Me

I wanna be a faithful son
I wanna hear you say "well done"
I wanna be a pleasing sight
I wanna shine a holy light
When I tell them about you
How will they believe the truth?
And the answer came
Steady as the rain

Go inside the prison
Go behind the wall
Go and be a servant
There is none too great or small
When you help the helpless
That is true Christianity
Whatever you've done to the least of these
You have done it unto Me

Go pick up a hammer
Go and build a home
Go and take the sunshine
To a heart that lives alone
When you help the helpless
That is true Christianity
Whatever you've done to the least of these
You have done it
You have done it unto me
When you help a widow
You have done it unto me
When you help the helpless
That is true Christianity
You have done it
You have done it unto me.
