

# Your Mighty Name

Steve Green

The heavens testify  
Without a word they cry  
Day after day an endless song  
The glory of our God

In love You drew us near  
You spoke so we could hear  
The gentle whisper of Your grace  
Your children give You praise

Blessing, honor, glory and power  
Worthy is the Lamb for sinners slain  
Wealth and wisdom Lord You are worthy  
Blessed be Your mighty name

From heaven's majesty  
You shared our poverty  
Jesus, You died and took our blame  
Then rose up from the grave

Blessing, honor, glory and power  
Worthy is the Lamb for sinners slain  
Wealth and wisdom Lord You are worthy  
Blessed be Your mighty name

You are higher than all our praises  
Still we will lift You up  
You are higher than all our praises  
Still we will lift You up  
You are higher than all our praises  
Still we will lift You up

Blessing, honor, glory and power  
Worthy is the Lamb for sinners slain  
Wealth and wisdom Lord You are worthy  
Blessed be Your mighty name  
Blessed be, blessed be  
Your mighty name
