

Our Father who reigns on Zion
Might and true
Give us this day
The gift of your grace
Your love and Your righteousness
Your love and Your righteousness
Our Father who reigns on Zion
Broken we bow
Here in this place
Come as we praise
The power of Your Holy name
The power of Your Holy name
Let every voice and nation proclaim
That you are the Lord of all
Our fortress and tower
How pure are Your ways
In faith we surrender to your call...in Zion
Giver of life
We lay at Your feet
Still and complete
In awe of Your holiness
In awe of Your holiness
