

## Can't Let Go

Steve Hackett

Your face is like an angel  
But what if you won't let me touch you  
You can change into a dragon  
But what if your flame is imagined

Feel like I'm lying on a bed of nails  
You're taking the wind right out of my sails

Can't let go, can't let go...

I never hear you saying  
I'm giving you all of my loving  
I'm sure you've got a reason  
But one day you know I'll get even

Feel like I'm lying on a bed of nails  
You're taking the wind right out of my sails

Can't let go, can't let go...

Yes I'm getting tired  
Playing diplomat  
Why is she always taking  
The shirt off my back

Can't let go, can't let go...
