

## Turn Back Time

Steve Hackett

I'm not on the ball  
Living in a world of so much change  
Thought that I might be much stronger  
When I'm far away from you  
What I'd give to learn to  
Turn back time

Sometimes words are dancing  
Like caterpillars moving on a page  
I would send you all my letters  
Feels like living in a cage  
What I'd give to learn to  
Turn back time

Your love is bound to see me through  
Your warmth is bound to find a way  
Your touch is all I really need  
Your smile the one and only key

I'm not on the ball  
Living in a world of so much change  
Thought that I might be much stronger  
When I'm far away from you  
What I'd give to learn to  
Turn back time
