

(Love) Compared with You

Steve Harley

I been trying to write this line
Yeah but the years've gone by in no time
And you know that it's not easy for a boy in love
But I had to find a clue
And it could only come from you
Like a waterfall you tingle me with your love.

And you know that since you loved me I have everything
And you know that since you loved me it's been easy.

All the things that I've been through
Don't mean a thing compared with you
You can give me life forever in a moment
You carry me like a child
You're a goddess when I'm wild
When I'm desperate in black you are golden.

And you know that since you loved me I have everything
Yeah you know that since you loved me it's been easy, oh.

I been trying to write this line
Yeah but the years've gone by in no time
And you know that it's not easy for a boy in love
But I had to find a clue
And it could only come from you
Like a waterfall you tingle me with your love.

I confess that since you loved me I have everything
I confess that since you loved me it's been easy.

I love you, I love you
I love you, I love you
I'm in love with you, love with you
I'm in love with you, love with you, yeah yeah yeah
I'm in love with you, love with you
I'm in love with you, love with you.
